

## Assignment 6b hi-fi prototype

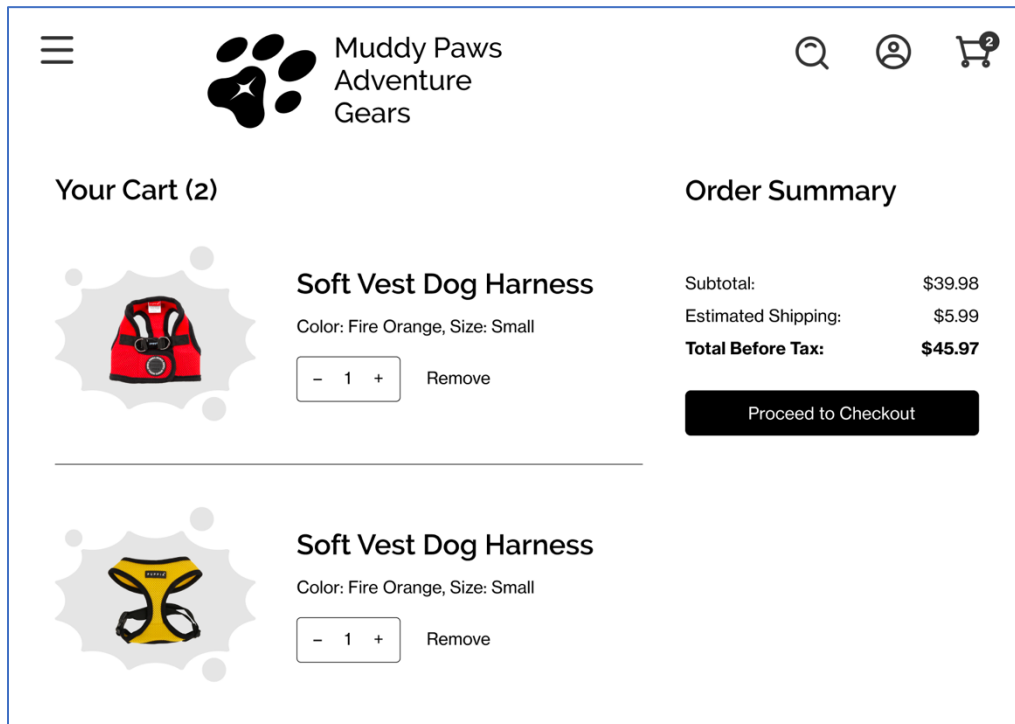

PUI Section C, Anita Sun

### 1. Link to Figma

- a. <https://www.figma.com/file/b0vOhqNzKMc1yYtXZUV4Vx/Muddy-Paws-Adventure-Gears?node-id=0%3A1>

### 2. Design choice

- a. The shopping cart page uses a two-column layout. The left column will show the items added to the cart, and the right column will show the order summary.
- b. In the left column, each item added to the cart will be presented in a div. Each div will show the item images, title, color, size, quantity, and one button for “remove”.
- c. In the right column, the “subtotal” and “total before tax” will be shown and updated in real-time (in 6b assignment). There’s also a “proceed to checkout” button that calls for action.
